From the President

Dear POS Members and Friends.

Thank you to our February speakers Jim and Melana Davison. Their topic: "Catasetums – What weird orchids!" was well received by our members.

Our March speaker Phillip Hamilton of Bredren Orchids is traveling a great distance and will be speaking on "*Broughtonias and Their Hybrids*. **Phillip will be bringing plants. This is a special treat so be sure to attend this meeting and bring your friends.**

On a **special note** due to a conflict with Deicke Auditorium our **April meeting** will be moved up a week and will be held on **March 31, 2020 at 7 p.m.** Please be sure to mark this change on your calendar.

We will be holding **elections in June**. Several positions will need to be filled. I as president and Bev Warde as treasurer will not be running, therefore these positions will need to be filled. It is imperative that we fill these positions with qualified members. Active participation is necessary for the success of this organization.

Looking forward to seeing you all at our next meeting ...

Rose Maytin

March POS Meeting:
March 3, 2020, Deicke Auditorium, 7-9pm

About our Speaker ...

Phillip Hamilton

Bredren Orchids, Apopka, FL

Phillip was born and raised in Jamaica where he inherited his dad's passion for orchids and grew up working in his parents' orchid nursery, Hamlyn Orchids. Although his dad's true orchid passion is with the Jamaican native *Broughtonia*'s and their hybrids, Phillip's passion leaned heavily toward *Phalaenopsis*, which he has been growing and hybridizing since the age of eight.

He earned his undergraduate and graduate degrees in Environmental Horticulture at the University of Florida in Gainesville, and is an American Orchid Society (AOS) Accredited Judge.

Professionally, Phillip has worked for two major orchid production nurseries in Central Florida as a grower and grower/manager. In 2013 he formed his own business (part-time), Bredren Orchids, to facilitate the small-scale sale of some of the more unique *Phalaenopsis* and *Broughtonia* species and hybrids he grows and breeds. He now manages Bredren Orchids full-time since 2017, with the generous help of his wife, Liz. They are currently working on developing this business into more than just the mail-order only entity it now is.

Phillip will be bringing a variety of plants for sale, including: novelty *Phalaenopsis* species/hybrids and *Broughtonia*/*Cattleya* related species and hybrids.
