OUR JULY SPEAKERS Tom Wells & Sandi Jones from Broward Orchid Supply

Our speakers this month will be Sandi Jones and Tom Wells, co-owners of Broward Orchid Supply, Orchid Curators at the Bonnet House Museum & Garden in Ft. Lauderdale and orchid hobbyist with about 400 orchids of their own and over 30 years of combined growing experience.

At this lecture, Tom will be demonstrating how to mount orchids on tree fern, cork bark, grapevine, cypress. Common questions like what orchids do best on mounts; what do I use to attach the orchid to the mount; how to water after they are mounted; and what to do when an orchid starts to overgrow its mount will be addressed. General cultural information and when to use what, i.e., fertilizers, fungicides, pesticides will also be discussed.

Orchid supplies will be available for sale at the meeting, but, of course, there's not room to bring some of everything, so members are requested to call or e-mail ahead to place specific orders: 954-925-2021 or browardorchidsupply@comcast.net.
