From the President

Dear POS Members and friends:

Thank You Lori Parrish for hosting our special meeting in November. It truly was a spectacular event. Our members had such a wonderful time and the day was just phenomenal. You were a great inspiration to backyard orchid growing and gardening.

The Plantation Orchid Society will be entering a plant display at the Bonnet House on December 6th and 7th. Set up for this weekend event will be on Friday, December 5th. If you can help set up/break down or have plants you would like to display, please let us know. No experience is necessary. Please see the contact information in this newsletter.

Our Holiday Party is this Wednesday, December 3rd, 2014 at the Ft. Lauderdale Golf and Country Club. We are looking forward to seeing all our members, who made their reservations, at this wonderful kickoff to the holiday season.

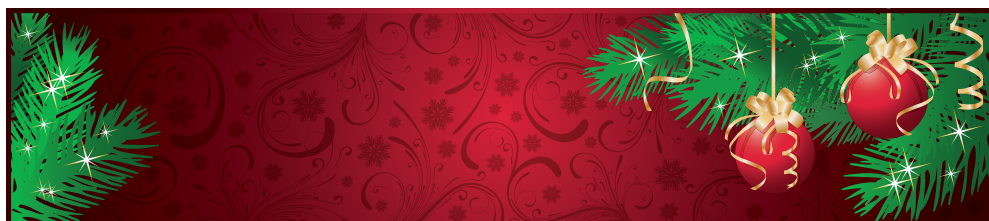

Our next regular meeting is scheduled for January 6th, 2015 at our usual location, Deicke Auditorium.

Wishing all our POS members, friends, families, and our Armed Forces and their families a Blessed Holiday Season.

Rose M. Maytin,
President

**Our November Program,
SUNDAY ORCHIDS WITH LORI PARRISH**

The Plantation Orchid Society

Lori Parrish welcomed the Plantation Orchid Society to her beautiful garden and home on the delightfully cool Sunday afternoon of November 2nd. Lori explained to us how she transformed a yard with a large area of concrete, into a lush green collection of tropical plants. We learned that Lori had experience working in the horticulture field, which was so evident in the arrangement and condition of her plants.

Lori's love of butterflies shaped a good part of her garden, which abounds in butterfly plants. While the many blooming orchids were the favorite of most of our members, we appreciated how she combined them with the rest of her landscape.

The Plantation Orchid Society

Lori provided an inviting hospitality table which included her own special Hummingbird Cake which our members certainly enjoyed. Thank you, Lori, for sharing your incredible garden with us!
