From the President

Dear POS Members and Friends:

I hope everyone enjoyed our 49th Anniversary Pot Luck Dinner and Membership Photo contest. Thanks to all who participated and attended. The food was outstanding. A special thanks to our Board and Barbara Van Strander who worked so hard to make it happen. Our membership has been growing significantly. We thank all our members who have promoted the POS and invited their friends and family to come to our meetings. When you see a new member, be sure to introduce yourself and welcome them. The photo contest was excellent and provided us with a spectacular selection of wonderful orchid pictures. Start now for next year, by taking pictures of your blooming orchids and have them ready for next June's photo contest. Congratulations to the winner Carole Schwimmer. Her picture will be featured on our annual auction poster.

Our speaker this month is Hyla Levine from Green Barn Orchid Supplies. Hyla is an avid grower and has a lot of experience in potting, fertilization, special mixes and secrets to grow better orchids. She will also be covering what chemicals to use for the various orchid problems caused by our wet weather and how to prevent them. Get your list of supplies together and go on their web site or phone to place your order early. Hyla will bring any orders to the meeting. Contact number is 561-499-2810 or web site at sales@greenbar-norchid.com.

See you at the meeting.
Rose M. Maytin
President

THE POS NEEDS YOUR EXTRA PLANTS!

Our October Auction is 2 months away! Please, everyone, get those gardening gloves out, clean out your leftover pots and divide your plants! We must raise funds to pay for our wonderful speakers, meeting room rentals, along with non-profit and bank fees and other miscellaneous. The club needs your extra and duplicate plants to auction at the October meeting. Please help us out!

**Our August Program
“Better Blooms with the Right
Products”
will be Presented
by Hyla Levine
of Green Barn Orchid Supply**

Hyla Levine is the co-owner of Green Barn Orchid Supplies, which is located in a charming 60-year-old barn in Delray Beach. Hyla began the business 9 years ago with the idea of providing a local source for orchid supplies as well as a source for people to ask questions and learn more about orchids.

The program covers all the basics! Hyla also offers a variety of orchid related supplies. We all need growing media. Green Barn stocks Hydroton, hydrorocks, lava rock mixes, coconut, bark and alaphlor, phalaenopsis mixes and more. Pots, like the medium, should be tailored to the plant and watering conditions. Green Barn carries a large selection of pots, from clear pot for photosynthesizing roots, net pots for air circulation and rapid drying to coco husk and clay pots for bulbs like Cattleya. The Green Barn also supplies a variety of insecticides, fertilizers, and supplements, including some hard to get favorites, like Rose Pride and Root Juice root stimulator.

Hyla will have supplies for sale at the meeting, but you might want to go to their website and choose the supplies you know you need. Give them a call to place your order and be sure to mention that you will be at the Plantation Orchid Society meeting on August 1st, to pick up your supplies!
